

Southeast Championship Series (SECS)

2014 Rules

March 21, 2014

Lee Hill/Jim Creighton

- 1) Each racing region in SEDiv will be allowed to hold at least one SECS race. Those racing regions that do not hold a Majors will be allowed to hold two SECS races (either 2 singles or one double).
- 2) SECS races must be held between January 1 and 3 weeks prior to the start of the RunOffs.
- 3) SECS races may be held as stand alone events, SECS only run groups within a regional weekend, or run concurrently with regional or SARRC races. If they are run concurrently, they will be handled in the same manner as "Rationals" – we suggest that SECS cars be distinguished by prefixing or appending a "D" (or similar symbol) to the class designation in the T&S system (so an SRF running in SECS will become an SRFD to distinguish it from SRF's running in SARRC or regional).
- 4) SECS participation is restricted to RunOffs eligible classes.
- 5) All SECS cars shall have SECS decals on each side of the vehicle. In addition, sedans and SRF will have a 3rd decal on the rear.
- 6) Points will be awarded using the Majors point scale (25 for 1st down to 1 for 20th). A car must complete at least half of the laps of the overall group winner in order to be eligible for points.
- 7) Trophies shall be awarded for 1st place. Regions may provide trophies for additional places at their discretion.
- 8) SECS races will be a minimum of 30 minutes or 30 miles.
- 9) A car running an SECS race is not eligible to receive SARRC points for the same race group.
- 10) Regional, National, and Full competition licenses are eligible for SECS. Novice permits with school requirements completed may also be allowed in SECS races.
- 11) SEDiv will collect \$5 for the Trophy Fund and \$10 for the SEDiv RunOffs Tow Fund for each race entry.
- 12) Divisional Class Championships will be determined by the best 7 eligible finishes. A driver may include the results of one SEDiv Majors weekend as well as any SECS finishes. A driver must compete in a class at a minimum of 2 SECS weekends to be eligible for a Divisional Class Championship for that class.
- 13) RunOffs invitations will be extended to the top 3 drivers in the SECS standings in each class who are not otherwise qualified for a RunOffs Invitation (top 5 in SRF and SM) and who have completed at least 4 SECS event weekends (or 3 SECS event weekends and 1 SEDiv Majors weekend) in that class.
