Article on
Racing at VIR

'I guess it's something that you kinda' get in your blood. Some people like to drive. Some don't.'

'People Said I Was Up in the Air But It Didn't Seem Like That'

have a desire to win everything I enter. It's fun to s also fun just getting out there. You learn a lot. Afspun a few times at 100 miles an hour, it makes you e of what you're doing on the road. And you can do it because there is nobody coming the other way."
