

**NORTH CAROLINA REGION
SPORTS CAR CLUB OF AMERICA
SCHOLARSHIP PROGRAM**

November 19, 2021

Just as planned, a group of us meet yesterday evening to find out who was the lucky recipient of the great items that have created a flood of donations for the Scholarship Program.

In attendance was Barbara Fouse, Annie Lindquist, Anna Crissman, James Shanks, Mark Senior, Sam Fouse and myself. I want to THANK all those who attended to validate the process.

All the tickets we drew from a large container (mixed quite well, I might add) by a staff member at the restaurant where the function took place.

- Winning donor for the **101 Shirts SCCA Neon Clock** was: **Chris Swink** from Winston Salem. I'm sure the clock is hanging on the wall in his office now. Chris and his son are going to renew their membership and plan on joining the worker team for the March event at VIR.
- Winning donor of the **VIR Oak Tree Slab** was **Steve Petrosky** from Cincinnati, Ohio. I was fortunate to meet and visit with Steve at INDY, he was very supportive of the Scholarship Program. Steve is an artist specializing in automotive themes. You can see his work at driversroad.com
- Winning donor of the **Penske Shock Rebuild (2)** was: **Vance James and Vance James** from Hickory NC. That's right, Vance will receive both certificates. Vance is a great supporter of the Scholarship Program. Vance is a long-time SM racer and said he can put these to good use in the off season.
- Winning donor of the **SCCA Membership Renewals (2)**:
 - **Lee Rackley** from Clinton NC. Lee said he was glad to be a donor to the program.
 - **Danny Corliss** from Aberdeen NC. Danny also is very supportive of the program.
- Winning donors of the Penske Hats (5):
 - **Amy Brown** had 4, yes 4 tickets drawn, WOW! GREAT for Amy! She is going to get them at the March event.
 - **Shaun French** is going to receive 1 of the Penske hats, he is from Willow Street, Pa. Shaun is excited that the runoffs are back at VIR and we might just see him in April. A BSpec race car is in his future.

To finish off this email, I once again want to **thank everyone for all the effort** that has been put into getting this program off to a great start. I am already in the process of talking about dates for school presentations starting in Jan. I will keep you posted as to dates, locations and time of such presentations.

If you have any questions, please contact me.
