### **Awards Program:**

An annual award of \$1,000 will be available. The criteria by which a student is selected is defined in the application. Once the applications have been received a “selection committee” will review the applications and select the winning student(s).

The Program Administrator will contact the high school of the winning student and make such arrangements as necessary to present the student with the award.

Instructions will be provided to the student on how payment to the school will be processed. Previous award winners will not be eligible to win additional awards.
