SCHOLARSHIP PROGRAM

UPDATE

December 12, 2025

The NCRSCCA Scholarship Program has become a roaring success.

Success for the scholarship program can be measured in several ways:

Support from the NCRSCCA Board and club members
Funding through member donations, memorial awards and VIR
Generous efforts of club members to spread the word and attend events to collect funds.
The number of students receiving scholarships each year.
Founding of the NCRSCCA Scholarship Foundation, a 501(c)3 organization

A quick recap;

1st year 2022 - 3 scholarships awarded
2nd year 2023 - 5 scholarships awarded
3rd year 2024 - 5 scholarships awarded
4th year 2025 - 7 scholarships awarded
5th year 2026 - Projected to be 7 scholarships awarded

YES, the program has awarded $20,000 in scholarships in the first 4 years !!!

A scholarship award is for $1,000. Applications are received by March 15 yearly.
Each spring a team of NCRSCCA members converge to read scholarship applications and select the winners. Being able to hand out an award to a student is quite an honor.

Get involved, be part of a great program promoting SCCA and sports cars. It's an easy as contacting the Program Administrator: **Doug Piner**
